a positive Difference!*

TREES FOR LIFE
invites you to join a

Sponsored Tree Planting on our Dundreggan Estate in Glen Moriston in the Scottish Highlands SUNDAY 1st of November 2009

Join us for an enjoyable day of hands-on-activity on the beautiful 10,000 acre Dundreggan Estate! You will have a chance to meet like-minded people and raise much needed funds for the Caledonian Forest. Hundreds of young aspen, birch and other trees like hazel are waiting for you and your friends to plant them out into the wild!

You can come to Dundreggan with your own vehicle or use the transportation provided by us. We can pick you up:

- * At Findhorn: at the Phoenix shop at The Park @ 8:30 am
- * In Forres: at the Tolbooth bus stop @ 8:50 am
- * In Inverness: at the train station @ 9:30 am

We will begin planting at Dundreggan at 10:30 am. There will be a lunch break of half an hour - please bring a packed lunch and a flask with a hot drink. We aim to leave Dundreggan at around 4:00 pm and will drop off people in Inverness, Forres and Findhorn, being back in Findhorn at about 6:00 pm.

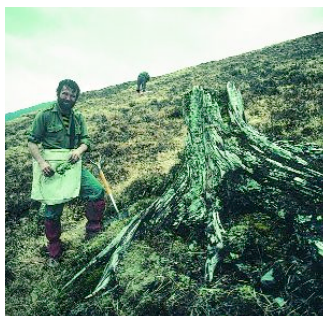

Please bring good boots, raingear and a change of clothes (in case of rain).

We suggest that family, friends and colleagues each sponsor you for a minimum of 10 pence a tree. We hope that each person will plant a minimum of 50 trees.

If you want to make your own way to Dundreggan, the directions are as follows:

From Inverness, take the A82 road (towards Fort William) to Invermoriston and turn right on to the A887 road to Kyle of Lochalsh. After 5 miles, pass the dam, and continue for another mile until you see a small green sign (at the base of some conifers) on the right hand side of the road that says **Dundreggan Farm, Private Road**. Turn right there, where a parking area will be indicated.

This is the difference you can make!

IF YOU CANNOT JOIN THE TREE PLANTING YOURSELF

If you cannot come and plant yourself, we invite you to support us by enlisting your friends and neighbours to sponsor Trees for Life Executive Director Alan Watson Featherstone instead. To do this, fill in the section on the form where it says 'Name of tree planter' with 'Alan Watson Featherstone', and under address please write your own name, address and email. Then sign up as many people as you can to sponsor Alan on the Tree Planting (if you expect a lot of sponsors, please photocopy the blank form, before anyone signs up).

You can make a positive difference! Please join us!

Each person who raises £50 or more will receive a free 2010 TFL Calendar or Diary.

To take part in the Sponsored Tree Planting please fill in the enclosed sponsor form and return it to Trees for Life. Thank you!
