

Support Trees for Life with a regular donation

Here at Trees for Life we are turning our vision, of a restored Caledonian Forest in the Highlands, into reality with every tree that we plant and each piece of woodland that we protect. It's a labour of love that will outlive all of us. Generations of people to come will benefit from the forest that we're nurturing, week by week, year by year, and indeed the whole planet benefits, through this healing of the land.

Just as trees need a regular supply of nutrients and water to grow, so too does Trees for Life need a steady flow of energy, in the form of donations, to put our vision into practice.

Please help sustain our vital work by making a regular monthly donation using the form below. Your gift is as important to us as life-giving water is to a tree, and the forest will directly benefit from your support, month by month, through our endeavours.

Your gift in action...

You give...
£5 a month

We can...
propagate the rare and beautiful aspen tree, which supports species such as the dark-bordered beauty moth, the aspen hoverfly and the beaver.

You give...
£10 a month

We can...
put up 2 metres of stock fencing, which is essential for creating enclosures to prevent deer eating young trees.

You give...
£15 a month

We can...
produce 15 native tree seedlings which our volunteers will plant as part of our forest restoration programme. That's 180 new trees a year!

You give...
£20 a month

We can...
subsidise a volunteer to carry out our valuable forest restoration work.

Yes...I want to help the forest flourish!

Instruction to your Bank or Building Society to pay by Direct Debit

I would like to help Trees for Life with a regular gift of:

- £5 a month £10 a month £15 a month £20 a month
 My own amount please specify £
